THE SILVER PLATFORM

The silver wing of the Republican State Convention unanimously adopted the fellowing platform: The convention endorses and adopts the platform of the Repub-

licas State Convention, held at Va city on the 30 of April last, as fol-Resolved, That we condemn the

Republican party of the Eastern states and the administration of President Harrison, insofar as they have failed to accomplish the complete remonetization of silver, and to enact laws providing for the free and unrestricted coinage of that metal.

Resolved, That the restoration of silver to the place it occupied previous to the passage of the Mint Act of 1873, is essential to the prosperity of the country and paramount to all other political considerations. The legislation which robbed silver of its money functions and denied to the owner of sliver bullion the right to have mine. Raven's Horse, Cattle and Poultry Food. In view of the unsatisfactory attitude of President Harrison to the paramount issue of the remonetization of silver, this convention will make no meminations for Presidential electors and the State Central Committee to be appointed by this Convention shall have no authority to put la nomination elec-

And we favor the continuation of a italian and contention for the free and unlimited columne of silver at the present ratio of 16 to 1. for their own benefit and for the benefit of the people at largeminers, farmers, Liborers and mechannes.

The citizens of Nevala, representatives of the various silver leagues, irrespective of past party afiliations, in convention assembl-(E1) & STABLING ed, do set forth the following declaration of principles:

First. We demand the full remonetization of silver and the free and unlimited coinage thereof, at the present ratio of 16 to 1.

Second. We are radically and unalterably opposed to the National Republican and Democratic parties on the question of the free coinage of silver and we denounce the action of their recent national conventions as inimical to the material interests of the people of the United States, and especially to WINE, LIQUOR, CIGARS those of Nevada and all the other mining states and territories, and we therefore repuliate the nominees of their convention.
